### PROFILE

---

Passionate and driven aspiring Front End Developer with a strong desire to create engaging and intuitive user experiences. Committed to continuous learning and possessing an open-minded approach to exploring new technologies and industry trends. Seeking an opportunity to contribute my skills and enthusiasm to a dynamic development team.

### SKILLS

---

C++  
HTML  
CSS  
JavaScript  
Teamworking  
Communication

### EXPERIENCE

---

#### Computer Sales Associate

##### **2019-current occupation**

As a Computer Sales Associate at Best Buy, I played a vital role in assisting customers with their computer-related needs. With a deep understanding of the latest computer technologies, I provided expert knowledge on product specifications and features, helping customers make informed decisions. By actively listening to their requirements, I offered personalized recommendations and demonstrated various computer products to showcase their functionalities.

### EDUCATION

---

Midwestern State  
University

##### **2020-in progress**

BA in Computer  
Science

Tarrant County  
Community College

##### **2015-2018**

AA in Nursing

#### Warehouse Supervisor and Freight Delivery

##### **2013-2019**

As a Warehouse Supervisor and Freight Delivery professional, I held a crucial role in managing important shipments with a high level of accuracy and precision. With meticulous attention to detail, I oversaw the entire shipment process to ensure that products were handled, packed, and delivered with minimal mistakes. By implementing effective quality control measures, I maintained a track record of successfully fulfilling customer orders without errors. Beyond managing shipments, I actively engaged with customers, collaborating closely with them to set up multiple events each week across various cities. Through direct communication, I gained a deep understanding of their event requirements and worked alongside them to ensure seamless event setups.
